Summary Bio for Heather Healy

Heather Healy, LCSW-C, is the Director of the Employee Assistance Program (EAP) for the Association of Flight Attendants-CWA, AFL-CIO which services 60,000 Flight Attendants at 19 airlines in 69 locations and in 5 countries. Ms. Healy has been active in the EAP field since 1984. She has designed, developed and directed drug free workplace programs, critical incident response services and broad- brush workplace based behavioral health prevention and early intervention programs across federal, state, and non-governmental organizations. Ms. Healy serves as the Program Manager for the Flight Attendant Drug and Alcohol Program (FADAP), an FAA Sponsored prevention and early intervention initiative. She is also the Clinical Coordinator for the State of Maryland's Dental Hygiene impaired professionals program and maintains a private psychotherapy practice specializing in substance use disorders. Ms. Healy is licensed in Maryland and DC as a clinical social worker. She holds certifications as a DOT -qualified Substance Abuse Professional, as an International Chemical Dependency Counselor, as a Labor Assistance Professional and as an Employee Assistance Professional. She is a 1984 MSW graduate of the University of Maryland with a clinical/administrative concentration and a special focus on Industrial Social Work, now known as EAP. She also serves as a field instructor for the University Of Maryland Graduate School Of Social Work.
