

December 5, 2016

Greetings,

I would like to extend a personal invitation to the McLean County Chamber of Commerce Political Action Committee's 2016 PAC Fundraiser. As we look around us at the aftermath of bitter campaigns and an election that exposed deep divisions in our nation, it is our duty to come together – now more than ever, and work to help pro-business candidates at the state and local level get into office that can strive for a stronger economy for all.

This year, the fundraiser will be joined by Ben Taylor, Executive Director of Congressional and Public Affairs for the Great Lakes Region of the United States Chamber of Commerce. To achieve the U.S Chamber's public policy goals, Taylor develops and maintains legislative, political, media, and grassroots resources throughout Illinois, Indiana, Kentucky, Michigan, Ohio, and Pennsylvania.

I hope you can join for an evening of great discussion both on the lame duck wrappings up of the current Administration, and what we can look forward to in the next. Your contribution gives voice to the needs we face here every day in McLean County, and support the goals established in maintaining a pro-business economy that we can be proud to be a part of.

To make reservations and contributions, please contact John Walsh, 309-829-1188, or email to john@mcleancochamber.org.
