An opportunity to serve on U.S. Chamber policy committees and working groups

Committee members help define Chamber positions by providing their views on key issues through meetings, mailings, and surveys.

CEO Outlook, the newsletter to the board of directors

This commentary and analysis from Chamber President and CEO Suzanne Clark is sent exclusively to the Chamber's board of directors and top-tier members. It includes a recap of recent issues as well as an inside look at current chamber engagements.

Direct access to the most sought-after leaders at the U.S. Chamber

Members may request on-site visits with policy experts to discuss topics such as labor, energy, international trade policy, and technology. Requests are accommodated based on availability.

Access to exclusive policy events and conferences

Elite and Advantage members are invited to participate in exclusive meetings and Chamber events, such as the LEAD Conference and the Aviation Summit, to discuss the political and legislative environment affecting American business. Members hear from top Chamber and Washington officials and share their thoughts on the best political strategies for achieving legislative goals.

Exclusive Federation Member Calls

Join us for legislative updates and Q&A with U.S. Chamber issue experts throughout the year. Past calls are archived if you miss a week or would like to listen again.

Policy advocacy resources

We're dedicated to serving the policy interests of the business community and making sure you and your members have the information you need to be successful. Your delegation can take advantage of our [Washington Fly-In Briefing Program](#), featuring U.S. Chamber policy experts and a program specifically tailored to your top business priorities. Even members who aren't planning a fly-in to Washington can take advantage of the Chamber's [virtual policy briefings](#) to hear from top experts on topics of interest to your local business community.

Access to the pro-business grassroots network

The U.S. Chamber's grassroots network, [U.S. Chamber Action](#), provides you with access to weekly emails that keep you informed on the issues that matter most like jobs, the economy, business trends and more. By joining the network, you and your members also receive access to the tools you need to get involved, like one-click advocacy tools to contact your Members of Congress about key issues.

Attend U.S. Chamber Virtual Events

Tune into our many live, virtual events, including the new [Common Grounds series](#), which features one Republican and one Democrat exploring important issues or challenges facing the business community and the nation. Check out all of our [upcoming events](#).

Premier Investor Discount to attend Institute for Organization Management

Institute for Organization Management, a program of the U.S. Chamber of Commerce Foundation, is the premier nonprofit professional development program for association and chamber professionals fostering individual growth through interactive learning and networking opportunities. The Premier Investor Discount provides members with a \$570 discount off the regular member rate for first-year students and a \$300 discount for returning students in their second through fourth years.
