SECTION 5: MESSAGING

10. Please read the following statements and for each, tell me if knowing this makes you more likely to support or oppose the social welfare and climate change bill promoted by Joe Biden and Democrats in Congress: [ITEMS SHOWN IN RANK ORDER]	Support/ Oppose Nets	All
The bill would add to inflation in the next two years, raising prices for American families.	More likely to support	25%
	More likely to oppose	63%
The bill is not really paid for, and instead uses budget gimmicks like pretending programs will end after only a year to hide the true cost. Without the gimmicks the bill costs twice as much as supporters claim.	More likely to support	25%
	More likely to oppose	60%
The bill already includes \$1.5 trillion in permanent tax increases, but much of the spending, including for programs like the expanded child tax credit and child care subsidies, ends after a few years. As a result, Congress will have to enact even more tax increases to continue these programs.	More likely to support	30%
	More likely to oppose	59%
