Re: *Amgen, Inc. v. The California Correctional Health Care Services*—B296563
(Sup. Ct. No. 18STCP03147)

To counsel:

Pursuant to Government Code section 68081, the court requests supplemental briefing on the following questions:

1. Does any law prohibit CCHCS from disclosing Amgen's price increase notice to the public by some means other than in response to a Public Records Act request (for example, by putting the notice on its public website or voluntarily providing the notice to the media)?
2. What impact, if any, does *Ruckelshaus v. Monsanto Co.* (1984) 467 U.S. 986 have on the trial court's conclusion that Amgen's disclosure was "compelled" (2 AA 391)?

The briefs may be in the form of a letter and must not exceed ten pages single-spaced. The parties are directed to file and serve their briefs with the

court no later than **5:00 p.m. on January 27, 2020**. Unless requested by the court, no further briefs shall be accepted.

Very truly yours,

By Juliet Goyz
Deputy Clerk
