Case No. 12-1757

**THIRD CONSENT MOTION FOR A REVISED BRIEFING SCHEDULE**

Appellees in this case, by and through undersigned counsel, hereby move, with the consent of Appellants, for a revision to the current Court-directed briefing schedule (Docket #16). According to the current schedule, Appellees’ Response Brief is due on November 14, 2012, and Appellants’ Reply Brief is due on December 6, 2012.

Appellees respectfully request a revision to this schedule for the extraordinary reasons set forth below. Multiple disruptions have been caused by Superstorm Sandy, including the fact that one of Appellees’ principal briefing attorneys, a resident of New York City, was unable to access her office or her home after the storm until yesterday. Appellants have agreed to Appellees’ request to extend the deadline for Appellees’ Response Brief to November 28, 2012. Further, both parties agree that the deadline for the Board’s Reply should be extended to December 20, 2012.

Therefore, Appellants request that the briefing schedule be revised to read as follows:

Appellees’ Response Brief	November 28, 2012
Appellants’ Reply Brief	December 20, 2012

Respectfully submitted,
