YORK CLAIMS SERVICE WAGE AND HOUR CASES

C079670
Sacramento County
No. JCCP4560

BY THE COURT:

In response to the parties' request to remand this matter to the trial court to permit consideration of a motion for approval of a proposed stipulation to settle the underlying litigation, the court makes the following orders.

1. The proposed stipulation is referred to the trial court for consideration and, if the trial court deems it appropriate, to conduct a hearing to determine if the settlement should be approved.
2. Further appellate proceedings in this matter shall be held in abeyance for 90 days pending the trial court's consideration of the proposed stipulation.
3. If it appears that the trial court will be unable to complete its consideration of the proposed stipulation within 90 days, it shall notify this court of that fact and, if appropriate, request that appellate proceedings remain in abeyance to a specified date.
4. In the event the settlement is not approved within the time parameters specified above, the temporary suspension shall terminate and all appellate proceedings shall resume, unless otherwise ordered by this court.
5. The trial court shall provide this court with all orders relating to its consideration of the proposed stipulation.
