ORDER

---

Upon consideration of the joint motion to remand case to the district court for review and approval of proposed class action settlement, the court grants the motion. The court remands the case to the district court for further proceedings.

The parties are directed to file a status report 60 days from the date of this order and every 60 days thereafter. The parties shall immediately notify the court in writing of action by the district court regarding approval of the proposed settlement.

For the Court

/s/ Patricia S. Connor, Clerk
