

Class Advisor Broadcast

Thursday, January 8, 2026

- Thank you for your participation in the auction. Items should be picked up at the morning break. Please be sure to close out your cart and complete payment before picking up your item.
- Attendees will receive a post-site survey next week. Feedback is much appreciated!
- Graduation photos will be available shortly. The link will be sent out in the post-site email.
- Customizable press releases are available on the Institute website (about/media), and a link will also be included in the post-site email.
- If any attendees were not able to get an on-site Industry Consultation, or if they come upon something they would like to discuss at a later date, they are welcome to request a virtual consult from our year-round Industry Consultation program, available through the same link.
- Attendees can recognize their fellow classmates on their accomplishments outside of Institute through the Institute Illuminations program, which will feature nominees on social media. The submission button can be found on the Institute website and in the footer of all Institute emails.
- Attendees are encouraged to download their 2026 transcript through the EventHUB and keep for their records. Transcripts can be requested at any time throughout the year by emailing iom@uschamber.com.
- 2026 dates will be January 3-7. Room blocks will open concurrently with registration launch in August.

THANK YOU!!!!
