

Course Audits

To ensure the quality of the program, courses are audited by Institute volunteers.

Courses are audited for a variety of reasons, including changes made by the Curriculum Committee the previous year, new faculty members, attendee feedback, etc.

Course Audit Forms can be completed [here](#). If possible, online form completion is preferred. For a printed version, please use the following page or contact Institute Staff.

Please reference the [Curriculum Syllabus](#) for detailed course objectives as you answer the Course Audit questions.

The following courses will be audited at Midwest Institute:

Please reference the Curriculum Syllabus for detailed course objectives as you answer the below questions.

- 1) Did the course cover all the objectives and allocate the appropriate amount of time for each?
- 2) Was the course helpful for and geared to both association and chamber professionals? Please provide an example.
- 3) If you were to add an objective to this course, what would it be?
- 4) Do you think the objective you wrote above should replace one of the current objectives to better reflect industry trends and practices? If so, which objective should it replace?
- 5) What could be done to make this course more applicable to and in line with industry trends?
- 6) Was the course engaging and provide attendee interaction? Please provide an example.
- 7) Additional comments regarding the curriculum or instructor:
