132 work zone fatalities occurred in Arizona between 2020–2024.

95 structurally deficient bridges pose safety risks if not addressed.

Federal Funding for Infrastructure

Federal funding accounts for **23% of spending** on road and bridge projects...

and provides **28% of the revenue** that keeps transit systems operating and investing in new projects.

IIJA Allocation (2021–2026)

Arizona has received approximately **\$5.35 billion** in federal transportation funding under the Infrastructure Investment and Jobs Act.

What's at Stake

Without reauthorization at current or increased levels, **Arizona risks losing federal funding** needed to expand the I-10 and I-17 corridors, connect tribal communities to essential services, support transit in growing metro areas, and maintain critical freight links to the U.S.-Mexico border.
