Passage of the U.S.-Korea FTA =

280,000 U.S. JOBS

+

$27 Billion Increase in U.S. GDP

THE NUMBERS ARE CLEAR.

Through passage of the U.S.-Korea Free Trade Agreement, Congress can:

- Create American jobs
- Grow the U.S. economy
- Increase U.S. exports

Now is the time to keep the momentum going and get this deal done. The U.S. business community stands together in support of the U.S.-Korea FTA.
