

EDUCATION AND WORKFORCE

Early Education, K-12 Education, and Child Care

- Support the expansion of high-quality early education programs.
- Improve K-12 education through rigorous academics, accountability for performance, and choices for parents and families.
- Ensure that every student graduates from high school prepared for the next step—whether college or career.
- Expand the availability of high-quality child care options.

Higher Education

- Support innovation in higher education while holding institutions accountable for their performance.
- Improve transparency to empower students, parents, and policymakers to make informed decisions.
- Improve financial aid programs and systems, including private sector innovations in higher education finance, which work to improve college access and affordability while incentivizing outcomes.

Workforce Training

- Ensure that training and retraining programs are aligned with the needs of employers based on accurate and timely local labor market data.
- Support employer-led earn and learn opportunities, including apprenticeships.
- Incentivize more effective and efficient partnerships between education and workforce systems.

Promote access to affordable, high-quality education, career paths that lead to jobs, and workforce initiatives that create a more equitable talent marketplace and strengthen the American economy.
