

RETIREMENT

Promote policies that provide retirement security through private sector solutions

- Work with Congress to increase retirement savings and security by making it easier for all employers and other private entities to offer retirement plans and retirement security solutions.
- Update employee benefit notices to provide meaningful information efficiently and effectively while protecting plan sponsors.
- Encourage employers to offer financial wellness programs suited to their employees' demographics and needs while limiting compliance burdens.
- Modernize the multiemployer pension system through pension funding relief, including funding and governance reforms.

Work with Congress and the administration to expand retirement coverage and security for Americans and ease administrative burdens for employers and plan sponsors.
