WHEREAS, Plaintiffs Environmental Integrity Project and Sierra Club (collectively "Plaintiffs") filed their Complaint on February 4, 2009, against Defendants the United States Environmental Protection Agency ("EPA") and EPA Administrator Lisa Jackson (collectively "Defendants"), pursuant to section 304(a)(2) of the Clean Air Act ("CAA"), 42 U.S.C. § 7604(a)(2);

WHEREAS, EPA issued New Source Performance Standards for nitric acid plants that are set forth in 40 C.F.R. Part 60, Subpart G ("NSPS");

WHEREAS, Plaintiffs allege that Defendants have failed to perform a non-discretionary duty to review, and if appropriate revise, the NSPS for nitric acid plants at least every 8 years pursuant to 42 U.S.C. § 7411 (b)(1)(B);

WHEREAS, Plaintiffs and Defendants (collectively "the Parties") wish to effectuate a settlement of the above-captioned matter without expensive and protracted litigation;

WHEREAS, the Parties consider this Decree to be an adequate and equitable resolution of the claims in the above-captioned matter; and

WHEREAS, the Court, by entering this Decree, finds that the Decree is fair, reasonable, in the public interest, and consistent with the CAA, 42 U.S.C. §§ 7401 et seq.

NOW THEREFORE, it is hereby ORDERED, ADJUDGED AND DECREED as follows:

1. This Court has jurisdiction over the claims set forth in the Complaint and to order the relief contained in this Decree. Venue is proper in the United States District Court for the District of Columbia.

2. On or before November 15, 2010, the appropriate EPA official shall sign, and within 10 business days of signing, forward to the Federal Register for publication one or a combination of the following: (a) a proposed rule containing revisions to NSPS Subpart G pursuant to CAA 111(b)(1)(B); and/or (b) a proposed and/or final determination under CAA 111(b)(1)(B) not to revise NSPS Subpart G.

3. If EPA signed a proposed rule or proposed determination pursuant to Paragraph 2 hereof, then the appropriate EPA official shall sign on or before November 15, 2011, and within 10 business days of signing forward to the Federal Register for publication, one or a combination of the following: (a) a final rule containing revisions to NSPS Subpart G pursuant to CAA111(b)(1)(B); and/or (b) a final determination under CAA 111(b)(1)(B) not to revise NSPS Subpart G. If pursuant to Paragraph 2 hereof EPA signed a final determination under CAA 111(b)(1)(B) not to revise NSPS Subpart G, then EPA shall have no obligation to take action pursuant to this Paragraph 3.

4. Within five (5) business days after forwarding the materials described in Paragraphs 2

and 3 hereof to the Federal Register, EPA shall send copies of such materials to Plaintiffs.

5. The deadlines set forth in Paragraphs 2 and 3 hereof may be modified only by: (a) written stipulation of the Parties with notice to the Court; or (b) the Court following motion of any party to this Decree, pursuant to the Federal Rules of Civil Procedure, and upon consideration of any response by the non-moving party.

6. The deadline for filing a motion for costs of litigation (including attorneys' fees) for activities performed prior to execution of this Decree is hereby extended until 60 days after this Decree is entered by the Court. During this 60-day period, the Parties shall seek to resolve informally any claim for costs of litigation (including attorneys' fees), and if they cannot, will submit that issue to the Court for resolution. Nothing in this paragraph shall be construed as an admission or concession by EPA that Plaintiffs are entitled to or eligible for recovery of any costs or attorneys' fees.

7. The Parties shall not challenge the terms of this Decree or this Court's jurisdiction to enter and enforce this Decree. Upon entry, no party shall challenge the terms of this Decree.

8. Nothing in this decree shall be construed as an admission of any issue of fact or law.

9. Except as provided herein, nothing in this Decree shall be construed to limit or modify any discretion accorded the EPA Administrator by the CAA or by general principles of administrative law in taking the actions that are the subject of this Decree.

10. Nothing in this Decree shall be construed to confer upon this Court jurisdiction to review: (a) any final decision made by the Administrator of the EPA pursuant to this Decree; or (b) any issues that are within the exclusive jurisdiction of the United States Courts of Appeals pursuant to CAA Section 307(b)(1), 42 U.S.C. § 7607(b)(1). Nothing in the terms of this Decree

shall be construed to waive any remedies or defenses the Parties may have under CAA Section 307(b)(1), 42 U.S.C. § 7607(b)(1).

11. The obligations imposed on Defendants under this Decree can only be undertaken using appropriated funds. No provision of this Decree shall be interpreted as or constitute a commitment or requirement that the Defendants obligate or pay funds in contravention of the Anti-Deficiency Act, 31 U.S.C. § 1341, or any other applicable federal statute.
